Conference Update

Making any plans for the near future is fraught with concerns for most of us at the moment as many things are currently being cancelled. None of us knows when things will return to normal.

We just wanted to touch base & allay some fears you may have about registering for the 2020 Conference in Newcastle during September.

Our Conference Committee has spent a great deal of time carefully checking our booking obligations & ensuring we understand the cancellation fees we may incur should our 2020 Conference not go ahead. We have until the middle of August to make the final decision about holding the conference (unless that decision has already been taken out of our hands by the authorities).

We are legally obliged to refund any ticket fees we have collected from you **in full** (minus the small booking fee) should we be forced to cancel the conference. The committee will make no further payments until that time which means that the entire amount will always be available. The Terms & Conditions of a refund should you need to cancel at any stage will be made clear on the Registration Form which will shortly be available.

Although we have no control over the cancellation policies of your travel or accommodation providers we can assure you that your 2020 Conference Fees will most definitely be refunded in full should we be forced to cancel the conference in mid-August due to continuing Worldwide conditions beyond our control.

Until then we will continue to work on preparing a fabulous 36th Annual State Conference for you!!

Is Your Conference Newsletter Finding its Way into Your Spam Folder?

Mine did (and I sent it!) – please check your spam from time to time.
