### **Conference Registration Update**

Although we had intended to make Early Bird Registrations available at the end of March we have decided to delay things until at least the end of May when we will hopefully have a better understanding of the Covid-19 situation in Australia.

Our conference venue, Wests New Lambton, has been closed until the end of August at this stage. This may be revised on the instructions of the authorities at any time.

We will keep you posted.

### **Conference Program**

We will very shortly post the Conference Program on the website. We have 16 whole group presentations for you in the Starlight Auditorium at Wests, New Lambton, as well as 21 Masterclasses from which to choose. Check the website in a few days from now for a full rundown.

### **Trade Table Registrations**

As we have already taken quite a number of registrations from exhibitors we will continue to accept these. The first table of any NSW/ACT Association Member is free so you may wish to get in early and reserve your place. An online registration form is available on the website.
