Hello Everyone,

Our conference committee has been holding regular meetings and much progress has been made. However, we urgently need your support to finalize our preparations:

1. Presenters: Please forward your bio and talk outline to the conference email address if you haven't already done this - record your presentation in PowerPoint with video of yourself presenting - instructions on how to do this have been emailed to you - if you would prefer to record your presentation separately, then do this and send the video and PP to us so we can combine the two - please have presentations ready by the end of June.

2. Societies and others who wish to be part of the (free) virtual Trade Fair may send us your logo with a link to your website or other information site.

3. All subscribers may donate items to the "Goodie Bag" if they wish. Something nice for 2022 Conference participants such as a discount voucher, a free journal or eBook, a special offer of some kind, a pdf document or list.....

4. Prizes for the virtual raffle are coming in and any further donations would be greatly appreciated. Please remember these must be able to be delivered to the winner virtually.

5. Some of last year's sponsors are already on board and we look forward to more sponsorship equaling last year's generous donations.

Keep your eye on our website as speaker information is going up as we receive it. Also, keep your eye on our Facebook Page and please share the posts.
